9. My pet

I have got a great pet, it is a cute black dog with a white spot on her chest. We call her "Buffy". We think that Buffy is a very special dog. She loves to play "fetch" when we throw sticks or balls. She also likes to run and to swim. When she sees a lake or a river, she always wants to get into the water. I play with her nearly every day and I also feed her. My parents go for a walk with her every afternoon. We all love Buffy very much.

Look! As Simon Simpleton comes to the zoo, he spots a bodyguard with the corgies of Queen Elizabeth II. They leave the zoo when Simon arrives. What a pity!
