9. This weekend is going to be great fun! On Saturday, I am going to sleep in, but right after breakfast I am going shopping with my mum. I always like it when we do that together. Then we are going to have lunch together and we are going to bring some donuts back home to my dad and my brother. In the afternoon I am going to watch a film and later in the evening I am going to text my friends. On Sunday we are going on a trip, but Dad does not tell us where we are going. It's going to be a surprise! I am very excited.

Solution 7th day:

As he comes to the busy place, Simon Simpleton sees many tourists, but who is that?

Could that be Prince William? He rushes to him, but before he can get close, the person gets into a car and drives off. What a shame!
