7. Last Saturday I was at my friend's place all afternoon. It was great! First, we were in his room, and we played a great new video game! His parents were really cool, his mum brought us soft drinks and snacks and we could eat them in his room! Then we were in his garden, we played football there. Later, we were at the cinema and watched a new action movie, it was great! It was a fantastic day!

Solution 9th day:

When Simon Simpleton comes to the bridge, he sees a very rare sight – the bridge is up so that a ship can pass! The cars have to wait, and Simon can take a closer look at the ship. One person on the ship looks very familiar. He thinks, he knows her ... could that be Camilla, King Charles' wife?
