8. The magical mobile phone

One day, Sarah played in her grandmother's cellar. When she opened a dirty box, she found an old mobile phone there. "That is strange", Sarah thought. She took it out and brought it upstairs.

"Look grandma, I found something in the cellar", Sarah said, and she showed the phone to her grandmother.

"Don't touch it!" her grandmother shouted, but it was too late.

Sarah touched a button, dialled a number and was gone! She was in the same house, but her grandmother was so young suddenly! Sarah understood that she was in the past now! Quickly, she dialled the button again and was back in the present.
