7. ... A bright, green light came from the door of a house. Leo could not believe it! He went to the door and thought, "What does this green light mean?" Suddenly, the door opened with a loud sound and a voice said, "Come inside, Leo!" The boy did not know what to do and just stood there. After some time, he entered the building. The green light was everywhere in the house. Leo looked around and saw that in the room next door the light was red. He went inside and there was just one big red chair. Leo sat down on the chair and fell asleep. Five days later he woke up. Everything was different and he heard a voice, "Welcome Leo, to your new home."
