7. A nightmare meal

Last weekend we went to eat at a nice restaurant, but it turned out to be a horrible visit! It started right when we entered the restaurant. The waiter was extremely unfriendly to us, there was dirt on the floor and the table was also dirty. Then we had to wait for fifteen minutes to get the menus and when my father wanted to order a steak, the waiter simply said, "We don't have that." I ordered some spaghetti and my mother had stew. My father was very unhappy, but he ordered some chicken. When our meals came, we were very disappointed. The chicken was raw and bloody inside, the stew was cold and the spaghetti tasted horrible. Also, all the plates were dirty. We got up, left the restaurant and said, "We will never come back here!"
