Einnmaleins-Tafel

The table displays the products of numbers 1 through 10, arranged in a diamond shape. The numbers 1 through 10 are listed along the left and right edges. The products are shown in the cells, color-coded by the sum of the factors: blue for sums 3-4, green for 5-6, orange for 7-8, pink for 9-10, and yellow for 11-12.
